Dear Mr. Wrisley:

CH2M HILL Plateau Remediation Company (CHPRC) obtained Earned Value Management System (EVMS) Certification from the U.S. Department of Energy (DOE) in September 2009 (attached). The support received from SM&A to prepare for the review was a key contributor to CHPRC's success. Of particular note are the mock interviews that were conducted in May 2009 and the follow-on training that resulted from these interviews. SM&A was very responsive and able to provide a team of seasoned professionals to support our needs. Your knowledge of EVMS and DOE expectations was invaluable during this process.

CHPRC achieved a significant milestone in obtaining EVMS Certification. Your contribution to that milestone is recognized and appreciated.

Sincerely,
